Advantages and Disadvantages of Finger-Vein Biometrics
<b>Palm-Vein</b>
Introduction
Technology Vendors and Service Providers
Fujitsu
Advantages and Disadvantages of Palm-Vein Biometrics
<b>Forecasts</b>
<b>Methodology and Assumptions</b>
<b>Biometrics for Banking Forecasts</b>
Introduction
<b>Biometrics for Banking User Forecasts</b>
<b>Biometrics for Banking User Forecasts – By Technology</b>
Biometrics for Banking User Forecasts – By Technology: Fingerprint
Fingerprint Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Voice
Voice Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Eye (Iris and Eye-Vein)
Eye Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Behavioral
Behavioral Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Finger-Vein
Finger-Vein Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Palm-Vein
Palm-Vein Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Heart (ECG)
Heart Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Face
Face Biometric Banking Users – Forecast Highlights
Biometrics for Banking User Forecasts – By Technology: Combined
Combined Biometric Banking Users – Forecast Highlights
<b>Biometrics for Banking User Forecasts – By Bank Channel (Service)</b>
Biometrics for Banking User Forecasts – By Bank Channel: Branch
Biometrics for Banking User Forecasts – By Bank Channel: Electronic Banking
Biometrics for Banking User Forecasts – By Bank Channel: Telephone (Contact Centre)
Biometrics for Banking User Forecasts – By Bank Channel: Mobile
Biometrics for Banking User Forecasts – By Bank Channel: Wearable
Biometrics for Banking User Forecasts – By Bank Channel: ATM
<b>Biometrics for Banking Revenue Forecasts</b>
<b>Assumption on Revenue Forecasts</b>
Biometrics for Banking Revenue Forecasts – By Technology: Fingerprint
Biometrics for Banking Revenue Forecasts – By Technology: Voice
Biometrics for Banking Revenue Forecasts – By Technology: Eye (Iris & Eye-Vein)

## Biometrics for Banking Table of Content (Full report)

Biometrics for Banking Revenue Forecasts – By Technology: Behavioral
Biometrics for Banking Revenue Forecasts – By Technology: Finger-Vein
Biometrics for Banking Revenue Forecasts – By Technology: Palm-Vein
Biometrics for Banking Revenue Forecasts – By Technology: Heart
Biometrics for Banking Revenue Forecasts – By Technology: Face
Biometrics for Banking Revenue Forecasts – By Technology: Combined
