Showcasing Innovation in Biometrics

OVERVIEW

London 2019

The **Biometric Summit London 2019**, in partnership with **Rise London** and **Barclays Innovation**, follows on from the Summit in New York in Spring 2019 building on the success of the Biometric Summit London 2018.

This third Biometric Summit brings together leading biometric technology providers with investors, buyers and technology integrators who have a strong interest in the latest innovation in biometric technology for a full-day summit that will include keynotes, presentations, workshops, industry-led moderated panels and a networking reception.

HOW YOU CAN CONNECT

London 2019

You can reach these audiences through our variety of sponsorship packages designed to maximise your organisation's visibility and introduce you to new investors, partners and clients. As a sponsor you will be provided with opportunities to increase awareness of your brand, product or service and reach your target audience of decision-makers and influencers.

Sponsorship benefits include

- Placement of your logo and a link to your website, to drive delegate interest ahead of the summit
- Your branding in our media and marketing campaigns
- Article for summit brochure and website
- At the summit, you will be able to connect with key decision makers, as they consider how the topics and themes apply to their own businesses and interests
- The opportunity to present to your target audience
- Plenty of opportunity to showcase your technology in the exhibition space (sponsor package dependent)
