BIOMETRIC SUMMIT 2023

EVENT OVERVIEW

Biometric Summit 2023 will be presented virtually on Thursday 23rd March.

Brought to you by Goode Intelligence, the leading biometrics, authentication and identity research and consulting company, this exciting event brings together leading biometric, authentication and digital identity technology providers with investors, buyers and technology integrators who have a strong interest in the latest innovations for a global conference with keynotes, presentations, industry-led moderated panels and interviews.

Join us for a power-packed day as we explore how biometric technologies are empowering the 21st century revolution.

23 MARCH 2023
