Goode Intelligence

Author

Goode Intelligence Methodology

Regional Definitions

**Executive Summary**

ES1: Report Scope

ES2: How are Biometrics used For Physical Access Control

ES3: Forecasts

ES3.1 Methodology and Assumptions

ES3.2 Biometric Physical Access Control Forecasts

ES3.2.1 Introduction

ES3.2.2 Biometric Physical ACcess Control User Forecasts – By Sector

ES3.2.3 Biometric Physical Access Control User Forecasts – By Biometric Modality

ES3.2.4 Biometric Physical access Control Forecasts – By Device

ES3.2.5 Biometric Physical Access Control Revenue Forecasts

ES4: Summary

**Market and Technology Analysis**

Introduction

How is Biometrics used For Physical Access Control

Introduction

Market Drivers and Barriers

Market Drivers

Market Barriers

Regulation

Introduction

Data Protection Regulation
European Union (EU) General Data Protection Regulation (GDPR)
USA Data protection Regulation
Illinois
Texas
Washington
California
Asia-Pacific Data protection Regulation
Australia
Singapore
South America Data protection Regulation
Brazil
Industry Regulation
Healthcare
HIPPA
Technology and Market Adoption
Technology Standards
Physical Access Control Technology Standards
Open Supervised Device Protocol (OSDP)
Wiegand
MiFare
Biometric Technology Standards
ISO
USA NIST
Technology – Analysis and Vendors
Introduction
Physical Access Control Types
Discretionary Access Control (DAC)

Mandatory Access Control (MAC)
Role-Based Access Control (RBAC)
Attribute-Based Access Control (ABAC)
Combined Physical / Logical access Control
Biometric Physical Access Control Systems By Modality – Fingerprint
Integrated Door / Turnstile
Fingerprint Door Lock
Padlock
Biometric Smartcard
CAC and PIV Card
Smartcard with Fingerprint Sensor
Fingerprint Technology Vendors
Fingerprint PACS Forecasts
Biometric Physical Access Control Systems By Modality – Face
Integrated Door lock / Turnstile / Access Gate
Door Lock / Control System
Turnstile / Access Gate
Mobile
Face Biometric Physical Access Control Vendors
Vendor Interviews
iProov
Precise Biometrics
RealSense
Face PACS Forecasts
Biometric Physical Access Control Systems By Modality – Retina
Retina PACS Forecasts
Biometric Physical Access Control Systems By Modality – Iris
Iris Biometric Physical Access Control Vendors

Iris PACS Forecasts
Biometric Physical Access Control Systems By Modality – Palm
Palm Biometric Physical Access Control Vendors
Palm PACS Forecasts
Biometric Physical Access Control Systems By Modality – Finger Vein
Finger-Vein Biometric Physical Access Control Vendors
Finger-Vein PACS Forecasts
Vendor Profiles
Alcatraz
Alocity
Boon Edam
Fujitsu
HID Global
Hitachi
IDEMIA
IDEX Biometrics
IProov
Paravision
Precise Biometrics
RealSense
Redrock Biometrics
Market Adoption and Analysis
Introduction
Adoption
Office
Australia
Europe – United Kingdom
Office BIOPACS User Forecasts

Residential
Yale Assure Lock 2
Kaadas Face Recognition Door Lock
Residential BIOPACS user Forecasts
Government
North America – USA
Europe – The Netherlands
Government BIOPACS User Forecasts
Healthcare
Healthcare BIOPACS User Forecasts
Transportation
Europe - The Netherlands
Europe – Germany
Transportation BIOPACS User Forecasts
Education
Europe – UK
India
Education BIOPACS user Forecasts
Technology (Computer Centres / Rooms)
North America – USA
Technology BIOPACS User Forecasts
**Forecasts**
Methodology and Assumptions
Biometric Physical Access Control Forecasts
Introduction
Biometric Physical Access Control User Forecasts – By Sector
Biometric Physical Access Control User Forecasts – Office
Biometric Physical Access Control User Forecasts – Residential

Biometric Physical Access Control User Forecasts – Government
Biometric Physical Access Control User Forecasts – Healthcare
Biometric Physical Access Control User Forecasts – Transportation
Biometric Physical Access Control User Forecasts – Education
Biometric Physical Access Control User Forecasts – Technology
Biometric Physical Access Control User Forecasts – 'Other'
Biometric Physical Access Control User Forecasts – Total
Biometric Phyiscal Access Control User Forecasts – By Biometric Modality
Biometric Phsical Access Control User Forecasts – by Modality: Fingerprint
Biometric Physical Access Control User Forecasts – by Modality: Face
Biometric Physical Access Control User Forecasts – by Modality: Retina
Biometric Physical Access Control User Forecasts – by Modality: Iris
Biometric Physical Access Control User Forecasts – by Modality: Palm
Biometric Physical Access Control User Forecasts – by Modality: Finger-Vein
Biometric Physical Access Control Forecasts – By Device
Biometric Physical Access Control Forecasts – by Device: Fingerprint
Biometric Physical Access Control Forecasts – by Device: Face
Biometric Physical Access Control Forecasts – by Device: Retina
Biometric Physical Access Control Forecasts – by Device: Iris
Biometric Physical Access Control Forecasts – by Device: Palm
Biometric Physical Access Control Forecasts – by Device: Finger-Vein
Biometric Physical Access Control Forecasts – by Device: Total (Combined)
Biometric Physical Access Control Revenue Forecasts
Assumptions on revenue forecasts
Biometric Physical Access Control Revenue Forecasts – by Sector: Office
Biometric Physical Access Control Revenue Forecasts – by Sector: Residential
Biometric Physical Access Control Revenue Forecasts – by Sector: Government
Biometric Physical Access Control Revenue Forecasts – by Sector: Healthcare

Biometric Physical Access Control Revenue Forecasts – by Sector: Transportation

Biometric Physical Access Control Revenue Forecasts – by Sector: Education

Biometric Physical Access Control Revenue Forecasts – by Sector: Technology

Biometric Physical Access Control Revenue Forecasts – by Sector: 'Other'

Biometric Physical Access Control Revenue Forecasts – by Sector: Total (Combined)

Biometric Physical Access Control Revenue Forecasts – by Biometric Modality: Fingerprint

Biometric Physical Access Control Revenue Forecasts – by Biometric Modality: Face

Biometric Physical Access Control Revenue Forecasts – by Biometric Modality: Retina

Biometric Physical Access Control Revenue Forecasts – by Biometric Modality: Iris

Biometric Physical Access Control Revenue Forecasts – by Biometric Modality: Palm

Biometric Physical Access Control Revenue Forecasts – by Biometric Modality: Finger-Vein
